Cancellation/No-Show Appointment Policy

Our goal is to provide quality health care to all our patients in a timely manner. **No-shows, late arrivals, and cancellations inconvenience not only our providers, but our other patients as well.** Please be aware of our policy regarding missed appointments.

Late Arrival

If a patient is more than 10 minutes late for an appointment, the appointment may need to be rescheduled. This is to ensure that the patients who arrive on time do not wait longer than necessary to see the provider. You may be given the option to wait for another appointment time on the same day if one is available. We will try to accommodate late-comers as best as possible, but we cannot compromise on the quality and timely care provided to our other patients.

Appointment Cancellation

When you book your appointment, you are holding a space on our calendar that is no longer available to our other patients. In order to be respectful of everyone's time, please call Life Family Chiropractic as soon as you know you will not be able to make your appointment. Odds are, there is a very good chance someone else needs it.

If cancellation is necessary, we require that you call at least 24 hours in advance. Appointments are in high demand, and your advanced notice will allow another patient access to immediate care. Please text or call us at 913-225-9313 between the hours of 9:00 AM – 6:00 PM. If necessary, you may leave a detailed voicemail message. We will return your call as soon as possible.

Late Cancellations/No-Shows

A cancellation is considered late when the appointment is cancelled less than 30 minutes before the appointed time. A no-show is when a patient misses an appointment without cancelling. In either case, a fee will be assessed to your ledger ranging from \$25-45 depending on frequency. These fees must be paid before your next visit.

For new patients' first appointments, a no show or late cancellation will result in a full charge of the new patient fee. This is due to the length of the visit and the ongoing waitlist for new patients. New patients are required to pay prior to scheduling another examination slot.

We understand that special unavoidable circumstances arise in which you must cancel your appointment within 24 hours. We are on your side and do understand these situations.
